2019 - 2020

ASSOCIATION OF LEGAL ADMINISTRATORS

*Business Partners are a valuable resource
and contribute greatly to our success.*

**ASSOCIATION OF
LEGAL ADMINISTRATORS
SAN DIEGO CHAPTER**

Hello Members,

As Director of Business Partner Relations, I am happy to provide you with the 2019 Business Partner Directory. This directory lists all of the businesses who partnered with ALA in our Business Partner Sponsorship Program.

We encourage all members to go to this Business Partner Directory first whenever you shop for a product or service for your firm. Not only are our Business Partners committed to delivering the highest quality products and services, they are also committed to furthering the goals of ALA San Diego. They do this by making their expertise available to our members, and providing the money the Chapter needs to provide the outstanding educational and networking events and scholarship opportunities we value as members. The Chapter sincerely appreciates the Business Partners' generosity and willingness to provide expert educational resources for its members.

This directory has been created in an electronic format for your convenience. You may also easily find this information by going to the Chapter website at www.sandiegoala.org and clicking on the Business Partners link in the Partnerships tab.

On behalf of the Chapter, we would like to extend our sincerest appreciation to all of our Business Partners who contribute greatly to the success of our Chapter and its members. Without your support we are unable to provide many of the speakers, social events and scholarships that enhance our experiences as members of ALA San Diego. We value your friendship, knowledge, and financial support.

Please feel free to contact me should you have any questions regarding our Business Partner Program.

Respectfully,

Lauren Bloodworth

At ICE (Innovative Commercial Environments), we do more than sell furniture. In every project, we keep the overall big design picture in mind while paying close attention to detail. We take the worry away from our customers and provide client-focused services. ICE is 100% referral-based, which has been earned by attention to the delivery, timely punch list resolution and seamless integration. This critical factor is often overlooked by the 'big box' dealers. We are not quantity driven but quality focused; building our client base one project at a time.
